Dr. Fauci, why are you talking to Bill Gates daily, and why are you using your wife's cellphone?🤔

An open question for New York Governor Andrew "nipples" Cuomo:
Sir, going by your statements of city wide shortages of crucial medical supplies/meds. And your BAN of hydroxychloroquine.
Sir, can you tell us why/how the "muslim community patrol" is able to hand out masks, gloves,

AND Medications, supplied by the City of New York, and paid for by taxpayers. Including Z-paks AND hydroxychloroquine?

Why are you protecting certain "communities" in secret while denying the same care to others?

Replying to @jsolomonReports

(1) Fauci intentionally positions himself to exit last.

(2) ABC's Jonathan Karl salutes Fauci.

(3) Fauci returns gesture w/ 'good job' signal.

Seems like Fauci & Karl were coordinating the antagonism toward @POTUS
Jennifer J. so sharp spotter, hint clip posted without comments

2/ Netflix reportedly holds the right to keep renewing these shows, irrespective of Disney's preferences. Disney may be entering Netflix's territory with Disney+, but that didn't drive the cancellations. Netflix was making a rationale decision based on quality, cost, viewership

Police departments across the Nation have been doing "safety checks" for a long time. Many times they proved not to be necessary but they have saved many lives because of it. Now they are drafting orders for "Covid wellness checks".

These Checks will not only be performed by the police, healthcare personnel, first responders, and LATER bye ordinary People hired specifically for these "checks".

We already have hotlines where people can rat out others, now neighbors with a beef can send wellness checks

Voter fraud by mail-in ballot is rampant. The Deep State wants to make it mandatory so they control the vote. California as already stated they will send 20 million mail-in ballots out to people.

If you are forced, if you have no other way to vote except by mail-in ballot. Your vote is still important. Because they intend to cheat, because they intend to alter your vote. Take steps to ensure your vote is protected as much as possible.
